DATES - 2026 SEASON

145TH ENCAMPMENT

Camp opens for dinner	Wednesday, June 24th
<i>Canada Day</i>	<i>Wednesday, July 1st</i>
July Art Sale	Wednesday, July 8th
Turtles of Georgian Bay-GBB	Thursday, July 9th
Climate Change & Wildfire Talk-GBB	Thursday, July 9th
Tom Collins Conservation Cup	Thursday, July 16th
Festival of the Sound In-Camp Concert Event	Monday, July 20th
Firestone Pickleball Cup	Saturday, July 25th
Old Friends' Night	Friday, July 31st
Tolley Tennis Tournament	Saturday, August 1st
Sans Souci Regatta	Saturday, August 1st
<i>Simcoe Day, Ontario Civic Holiday</i>	<i>Monday, August 3rd</i>
Mary S. Scott Memorial Shuffleboard Tournament	Monday, August 3rd
Sillers Putting Tournament	Mon, August 3rd-Sat, August 8th
Children's Tennis Tournament	Wednesday, August 5th
August Art Sale	Wednesday, August 5th
Semi-Annual Meeting	Thursday, August 6th
Todd Cup	Friday, August 7th
Staff Appreciation & Paddle Award Dinner	Friday, August 7th
Sager Hole-In-One Putting Tournament	Wednesday, August 12th
Camp will close after breakfast	Wednesday, August 19th
<i>Labour Day, Canadian Holiday</i>	<i>Monday, September 7th</i>
Final Date for In-Camp Residence	Sunday, September 27th
2026 Annual Meeting - Pittsburgh, PA	Saturday, Nov 7th
2027 March Meeting - Pittsburgh, PA	Saturday, March 6th 2027

DETAILS OF SPECIAL EVENTS
PLEASE CHECK THE WEBSITE FOR CURRENT INFORMATION

FESTIVAL OF THE SOUND - *Wednesday 7/22-Saturday 8/08*

See www.festivalofthesound.ca for full program details

The Festival of the Sound is returning to Iron City! Iron City members will be able to attend a private concert the evening of Monday, July 20th.

Iron City will also be sponsoring the following concerts. Please see Jenny or the Office Coordinator if you are interested in tickets.

- Thursday, July 30th at 1:30pm - Beethoven & Ravel
- Wednesday, August 5th at 3:30pm - Poetry & Music of the Romantic Era
- Thursday, August 6th at 1:30pm - Classic Mozart

AMY'S BOOK CLUB

Please check www.icfc.net for confirmation of dates, times, and sponsors.

- *The Instrumentalist* - Harriet Constable
- *The God of the Woods* - Liz Woods
- *Fifth Business* (1st book from *The Deptford Trilogy*) - Robertson Davies
- *In the Skin of a Lion* - Michael Ondaatje
- *Buckeye* - Patrick Ryan
- *Ship of Brides* - Jojo Moyes

Georgian Bay Biosphere Talks

- Thursday, July 9th at 9:00am - *Turtles of the Georgian Bay Biosphere* - For all ages! Meet the GBB's snapping turtle, Miki, and learn about the types of turtles that need protection and how you can help
- Thursday, July 9th after dinner in the lodge - *State of the Bay: Climate Change & Wildfire* - Join Dr. Becky Pollock of the GBB and guest Dr. Mike Waddington, as they speak about climate change impacts on Georgian Bay, increasing risk of wildfire, and what research is teaching us about recovery

Additional events and information will be shared as they are finalized.

IRON CITY FISHING CLUB

FIRST FISHING TRIP 1881

ORGANIZED 1882

INCORPORATED 1901

PURPOSE

To maintain and preserve a safe haven in the beautiful, natural environment of Georgian Bay,
and for the members of the Club to enjoy
recreational, social, spiritual, and educational activities

CUSTOMS AND COURTESIES

Iron City Fishing Club had its origin in 1881. It had then, and still has, religious overtones and a few established traditions that have made it and kept it the happy summer retreat it is.

IT IS TRADITIONAL for all campers to attend the Sunday morning devotional service in the dining room following breakfast and the regular Vespers Service in the Lodge at eight o'clock.

IT IS TRADITIONAL not to fish on Sunday and to keep a quiet bay by reserving it for canoes and sailboats. The use of powerboats for necessary transportation may, of course, be undertaken.

IT IS TRADITIONAL for every member and guest to share in keeping the Camp grounds free of litter and to keep the area surrounding their own cottage neat and trim.

IT IS TRADITIONAL for campers and guests to make every effort to modulate voices and all other sounds in order to ensure a quiet camp after eleven o'clock in the evening.

IT IS TRADITIONAL not to bring in any smallmouth bass under 12" in length. Should a fish have been so badly hurt it will die, it is to be counted as one of Canada's legal personal daily limits.

IT IS TRADITIONAL for Iron City youth to serve on staff by providing food service and performing other duties. The experience leads to life-long friendships and a connection to camp that strengthens and sustains our camp for future generations.

<i>Caretaker</i>	MAURICE GREGOIRE
<i>Assistant Caretaker</i>	LUCAS ANDREWS-CONTE
<i>Head of Housekeeping</i>	LISA GREGOIRE

GENERAL INFORMATION - 2026 SEASON ORGANIZATION

James Ball is the general manager for the Club. Born and raised in Parry Sound, James works as a Real Estate Broker in the Parry Sound/Muskoka districts. His children are *Sophie* and *Aaron*.

Jenny McWalters is the Director of Member Services & Summer Staff (DMSSS) living in Camp during the season. Under the umbrella of member services, Jenny oversees the reservation system; coordinates special events; schedules and onboards in-camp doctors; and oversees ordering of supplies for the club office, doctor's office, merchandise, athletics, etc. The director's summer staff responsibilities will include the onsite supervision and training of the Leadership Team and Wait Staff; mentoring and team building; and overseeing any disciplinary issues in conjunction with the HR Committee. Jenny and her husband, *Nicky Holmes*, are parents of twin sons *Jack* and *Colin* and daughter *Ella* and live in the city of Pickering in the Toronto Metro Area. The 2026 *Leadership Team* is comprised of: *Brandi Brozeski* and *Katie Wright* as Dining Room Coordinators, overseeing the Dining Hall and the teenage waiter and activity staff; *Cole Turner* as Club Coordinator, assisting with camp and water recreational activities, announcements, and member needs in the office: reservations, transportation, arrangements for cabin repairs, and other matters; *Charles Creighton* as office coordinator.

Dexterra Hospitality will staff our kitchen, ordering and preparing the food during the season. A new chef will be named and they will be joined by *Garrett Richer* (acting *Head Chef*) with *Amanda Beilstein* providing periodic support throughout the summer. The *Dining Room Supervisor* will work directly with our *Dining Room Coordinators* to provide guidance and support operations and communications between the front- and back-of-house.

Caretaker *Maurice "Moe" Gregoire* and his wife, Head of Housekeeping, *Lisa Gregoire* and new Assistant Caretaker *Lucas Andrews-Conte* live at camp all year round. Moe and Lisa's son *Steven*, and daughter *Mackenzie* and husband *Jonathan Taylor* live nearby. We are excited to also welcome Lucas's wife *Courtney* and son *Waylon*, who will be living in camp with Lucas. Moe and Lucas are responsible for ensuring that the Club is safe and secure. During the summer, Moe hires a small staff for maintenance work, driving camp boats, and for garbage/trash disposal. Moe's group is not available for major repairs or construction work on members' cottages. For minor repairs, a work order must be submitted by the member to the office staff. Such repairs will be charged to the member through the Club.

Committees work with and through the Club staff. They establish programs, policies, and procedures in their respective areas, and advise the President and the General Manager. Member suggestions and/or complaints should be addressed to the appropriate committee Chair. See pages 24-28 for all committee members.

BOATING

Boating & Waterfront Safety

- Swimming

Any child who has not passed the Minnow test is not allowed on any dock without wearing a life preserver. All children must wear life preservers in boats until they are 12 and have passed the Bass test. Swimmers must have passed the Bass test or be over 10 years old to be on the beach without an adult.

The Club has traditionally provided lifeguard service for the beach and swimming area by the swimming dock. These lifeguards are usually 15 or 16 years old and certified. Nevertheless, it is important to keep in mind that even the certified lifeguards are not professional lifeguards. Parents primarily are responsible for their children in and out of the water in the swimming area at all times, and parents should not drop off their young children unless they are personally supervised by a babysitter or other responsible adult.

Lifeguard hours are posted outside of the Dining Hall and below on page 16.

- Boating: ICFC Power Boating Rules & Guidelines

The boat operator should have a valid operator card, is responsible for following Canadian recreational boating safety regulations, and will be responsible for the safety of all boat occupants. The boat operator should ensure that all occupants have an approved, size-appropriate life vest or personal flotation device (PFD) in the boat. Ideally, each person should wear a PFD.

The boat operator should observe the ICFC no wake zones: in the front bay between the main dock and the Schroeder docks; in the back bay; in Reed Bay; and between the Sherrill dock and the Reed bridge.

On Sundays during encampment, power boating activities in the front bay should be restricted to necessary transportation only.

The Canadian recreational boating safety regulations now require proof of boat operator competency for all operators of motor boats. U.S. state-issued operator cards are considered as proof of competency. The Canadian Coast Guard Pleasure Craft Operator license may be acquired online at: <https://canadaboatsafety.com/>

All power boats with 10hp or more require a PCL which must be displayed on both sides of the bow.

The regulations include age and horsepower restrictions: if not accompanied and directly supervised by a person of 16 or older, the operator under 12 years old is restricted to a motor of maximum power of 10 hp; the operator over 12 but under 16 years old is restricted to one of a maximum of 40 hp. The regulations also include minimum safety equipment standards for all boats, including but not limited to: a life vest for every occupant, buoyant rope, bailer or bilge pump, lights appropriate for your vessel to be used at night, flashlight, and a compass. These are strictly enforced by the Coast Guard who regularly patrol Georgian Bay. Full details are available in the office and a link to Transport Canada's Safe Boating Guide can be found: https://tc.canada.ca/sites/default/files/migrated/tp_511e.pdf

- Georgian Bay Boaters and Cottagers Code

In a water-based community, we are all boaters. Both recreational boaters and cottagers share the same concerns about safe enjoyment and environmental protection of our waterways. These paragraphs are taken from the code developed by both the Ontario Boating Forum and the Georgian Bay Association to set responsibilities and expectations to help ensure that we peacefully coexist.

1. *Respect private property.* Absolutely do not go ashore without permission if land is posted or has a cottage or building on the site.
2. *Anchoring near cottages:* All stakeholders are entitled to maximum privacy. Anchor and camp out of sight of cottages whenever possible. While cottagers don't own the water, they cannot move their cottage the same way that a boat can be moved. Conversely, many bays have traditionally been used as anchorages.
3. *When going ashore on crown land:* Always leave with everything that you brought ashore. This includes refuse. It also includes dog feces where reasonably possible.
4. *Fires on Crown land:* When going ashore for a picnic, always abide by the fire safety rules including temporary fire bans. Some sites are posted for "No Camp Fires." In such areas, the best alternative is a cooking stove. If you must have a fire and you are in an area where fires are allowed, attempt to use safe public fireplaces and be sensitive to overuse of "deadfall" which upsets the ecological balance of the site. It is best if you bring your own firewood. Always drown your fire before leaving.
5. *All boaters must be aware of the impact of their wake and abide by speed limits.* Minimize your wake in narrow channels, near cottage docks, and in government posted speed zones. All boats should minimize wake for small runabouts, kayaks, and small sail craft whenever possible.
6. *Respect the difficulty of maneuvering larger vessels.* Smaller craft should maintain a reasonable distance from larger cruising yachts. Larger craft need longer to respond and cannot see smaller craft close to them. Please refrain from recreational activity such as tubing, fishing, windsurfing, and swimming in major boat channels.
7. *We all have equal rights to enjoy the water and responsibility to keep it clean.* Polluting the water with unlawful black water and other discharges is a crime. We can all go further by using environmentally friendly, biodegradable cleaning products, refraining from bathing in the lake, ensuring septic systems are operating within code, and limiting grey water discharge in enclosed/confined bays to the extent possible.

Definitions

- **Boat Storage:** Boats with outboard motors, if stored outside, will be turned over and supported from ground contact. Boats may be constructed of any materials. Motors are taken off and stored separately.
- **Boat Launching and Hauling:** This is normally a once-per-season charge applicable to boats stored with Club labor in Club facilities. The Club office should be advised in advance if the boat is not to be launched during the summer.
- **Batteries:** This includes storage, checking liquid levels, charge upon storage, and one mid-winter charge required. Replacement and warranty claims are the responsibility of the owners.
- **Winterizing Motors:** This includes lubrication and oil. New spark plugs may be added with extra charge. No other service is available.

Boat Storage

While the Club is able to provide some winter boat storage, members are encouraged to use other marinas in the area, in particular, Moon River Marine, where a special facility has been built to handle the Club's needs. If, however, members desire winter boat storage, they must file a storage request with Maurice Gregoire prior to departure from camp. The Club cannot store any inboard or I/O boats, nor does the Club have appropriate facilities to properly winterize four-stroke engines. Small boats, such as canoes or sunfish, may be stored over the winter without charge in or under cottages, provided that neither Club equipment nor Club

maintenance labor is utilized for the storage process. Launching and removal by Club maintenance labor of other boats will be charged in accordance with the fee schedules set forth below.

Storage in Club facilities may be under a roof or in the open near the softball field. Boats stored in Club facilities are subject to storage fees each winter even if the boat is not put in the water during the summer.

The Club handles and stores members' boats for their convenience. The Club accepts no liability or responsibility for boats at any time. Members are advised to carry adequate property and liability insurance for their boats.

Rates Relating to Boat Storage

Storage in Club Facilities (including Winterizing, Battery Charge, and Launch & Haul)	Rate in CAD\$
Powerboats	\$714
Storage in Club Facilities (including Launch & Haul)	
Larger Sailboats	\$459
Rowboats / Sunfish / Lasers	\$179
Canoes / Kayaks	\$153
Launching & Hauling of Privately-Stored Boats	
Empty Wooden Fishing Boats (under 17' without motor)	\$306
Sunfish / Rowboats	\$128
Canoes / Kayaks	\$77

CAMPERS UNDER 26

No one under the age of twenty-six may be in camp unless sponsored by a member who is present in camp. The sponsor shall advise the Club office at the time of reservation.

CLUB STORE & GAS

Mon-Sat 8:15-10 am, 1-2 pm, 7-8 pm

The Club convenience store is open from Monday to Saturday during the posted hours. CAD\$5, \$10, and \$20 punch cards are available for making purchases. Neither cash nor charge slips (other than for punch cards) are acceptable for purchases. Children 12 and under may not sign chits for punch cards.

Fuel service for boats may be obtained during certain posted hours at the Main Dock. Payment is solely by signed chit.

CONTROLLED SUBSTANCES POLICIES

Temperate behavior is expected from all adults. Club policy requires compliance with Canadian law which provides that use of alcohol or marijuana by minors (under 19) and sale of cigarettes to anyone under 19 is illegal.

Anyone distributing controlled substances, whether alcohol, marijuana, or other drugs, to minors will be asked to leave camp. Any instances of these offenses should be reported immediately to the President or the ranking Board member in camp at the time. We need the continuing support of all members in upholding and reinforcing this policy. In addition, it is traditional for adult campers to refrain from consuming alcohol in common spaces except in connection with activities that have been approved by a Club Officer. Use of marijuana should be limited to private space. Be aware that the odor is offensive to some.

COTTAGE PROTOCOLS & INFORMATION

Opening, Closing, & Cleaning Cottages

Arrangements for opening, closing and/or cleaning members' cottages should be made by the individual member using the Cleaning Requisition Form, available on the ICFC website. The nature of the work to be done should be detailed on the form and the form provided to Lisa Gregoire (phone 1-705-346-1191) or email (lisa.gregoire@icfc.net). She will arrange for the work to be done, with the members billed through their club accounts. Requests to open cottages must be made with at least 3 weeks' notice; If you are requesting a June opening, please note this is a busy time of year and more than 3 weeks notice may be necessary; advise Lisa of the first date that the cottage will be occupied. Cottages can be cleaned during the summer but please provide Lisa with as much notice as possible, particularly during peak season, so she can schedule appropriate staffing. Cottages can not be cleaned on Sundays.

Cottage Rentals

Cottage owners are encouraged to rent their cottages to other members or guests. Available cottages may be found on the website. Owners are expected to have their cottages cleaned prior to renter arrival, and to provide bed linen and towels and working appliances. Please make sure Lisa has your rental schedule no later than the end of May to ensure sufficient time to clean between guests. Renters will be responsible for the cleaning charge unless otherwise specified.

Rental negotiations are a private matter between members. However, the chair of the Membership & Guest Committee will be able to give advice and information to facilitate rentals.

Cottage Renovation Requests

All renovations to Member cottages for both interior and exterior work must be approved by the Property Committee prior to construction. To do so, prepare a description of the proposed project or have plans prepared and submit them to the property co-chairs who will in turn distribute them to Property Committee members for their review and approval. If it is a significant alteration that will change the perimeter of the cottage, its look, or expand the cottage, the Committee will also seek Board approval prior to allowing any construction to proceed. All new cottage construction must be approved by the Property Committee and Board per the By-Laws.

Projects that alter any aspect of the building's structural system, create more space through additions, or significantly alter the cottage in any way will require permits from the Township of the Archipelago in addition to club approval.

Insurance

Cottage owners are required to maintain adequate property and liability insurance and must provide evidence of current policies, on an annual basis, to the General Manager.

DINING HALL

Three meals a day are served in the Dining Hall during the encampment. The Dining Hall will open 10 minutes after the last bell for lunch and dinner, and those meals will begin promptly 10 minutes after the doors open, with the singing of the mealtime song.

Customs

IT IS CUSTOM for parents or a responsible adult to supervise and sit with all children under age 13.

IT IS CUSTOM to reserve the first three tables at lunch and dinner for staff and teenagers (age 13 and higher) not requiring supervision.

IT IS CUSTOM to reserve tables on the porch for adults.

IT IS CUSTOM to reserve only the necessary seats for your party.

IT IS CUSTOM to remove hats. Shoes are required at all times.

IT IS CUSTOM to reserve end-tables for families with high chairs. Parents are encouraged to arrive early to secure these locations.

Dining Hall Times & Bells

	1st Bell	2nd Bell	3rd Bell	
Weekdays				
Breakfast	7:45 AM	8:00 AM	8:20 AM	Doors close promptly at 8:30 AM
Lunch	12PM Noon	12:20 PM		Doors open at 12:30 PM
Dinner	6:00 PM	6:20 PM		Doors open at 6:30 PM
Sundays				
Breakfast	8:00 AM	8:20 AM		Doors open at 8:30 AM
Lunch	12:30 PM	12:50 PM		Doors open at 1:00 PM
Dinner	6:00 PM	6:20 PM		Doors open at 6:30 PM

Special Needs: Our shared, family-style meals are one of the most important traditions at the Iron City Fishing Club. We do however recognize that some of our members have dietary restrictions. One vegetarian meal will be offered for dinner. Medically restricted meals will also be served to those with special needs. Peanut butter, jelly, and bread will always be available upon request. Pasta will always be available at dinner upon request for kids.

Special Requests: You must notify the kitchen about your dietary needs at the time you make your reservation. The special Dietary Request Form will be available on the ICFC website along with the reservation form. **Two weeks' notice** is required prior to **each visit** to camp because all of our food has to be ordered in advance and the office does not maintain records of each member's dietary needs. Doing this helps ensure your needs are met.

Please check in with the office upon your arrival to confirm that we have your special request ready for your first meal. If you feel the form does not cover your specific needs, please schedule a time to discuss them with the Chef, Commissary Committee member in camp/in charge during your stay or the Dining Room Supervisor with Dexterra.

Picnics: Picnic lunches will be provided on request to campers who submit a completed Picnic requisition form to the headwaiter no later than immediately following ***lunch 24 hours prior to the desired picnic date.*** Forms are online or in the dining hall. Picnic lunches must be picked up, rain or shine, at the side door of the kitchen. Special requests will be filled at the discretion of the kitchen staff. Campers are responsible for bringing their own plates, trash bags, napkins, and utensils.

Eating Elsewhere: For those who wish to eat occasionally in their cottage, it is traditional for a family member to bring food back to them at the end of the meal. Dining Hall china and silverware must be returned by the next meal period. If you

are planning to dine out at a restaurant or skip a meal, please give advance notice, stating the meal in question and the number in your party.

Food Orders: The Club kitchen does not supply gratis milk, soft drinks, or snack foods for members to use in their cottages. However the Club kitchen can fulfill members' orders for such items, using the order forms available in the Dining Hall and the office - and your Club account will be charged accordingly. The Club kitchen also provides special event catering. Menus and pricing are available in the Dining Hall and the office.

To-Go Meals: You may elect to order your meal to-go as we understand some individuals may wish to avoid a crowded dining hall. This must be arranged 24 hours in advance of the requested meal through the Dining Hall Supervisor or Dining Hall Coordinator. Pick up of the meal is at the side door entrance to the kitchen.

Fish Preparation: "Camper-caught" fish cannot be prepared or served the date of or the day after the Paddle Dinner, which will be Friday, August 7th.

Birthday Cake or Cookie Orders: Orders for either **must be received 48 hours in advance** of the requested date to be served. Orders may be placed with the Head Waiter or Dining Hall Supervisor. A charge to your account for \$15 will be added for any Birthday Cake order; a charge of \$10 for a dozen cookies will be added to your account for a cookie order. Flavor options will be provided at the time of ordering. **Cakes and cookies are all made to order, In the interest of managing waste, we have no "pre-made" items available for sale.**

ENVIRONMENTAL

TREE POLICY: Our many varieties of trees enhance our Iron City experience. Light pruning by members is permissible to keep branches off cottages and to restore desired water views. No trees may be removed without permission of the Property Committee as advised by the Landscape Committee.

WATER QUALITY: Do not wash in the Bay as the chemicals in shampoo and soap, even those that are biodegradable, are harmful to aquatic life.

ENERGY EFFICIENCY: Conserve energy. Use compact fluorescent or LED bulbs in your light fixtures.

WASTE DISPOSAL & RECYCLING: The Club adheres fully to the recycling program adopted by the Archipelago for waste disposal and recycling paper, cardboard, metal, plastic, and glass. For complete details on the trash disposal and recycling practices, please see page 20.

FIRE PREVENTION

It is the responsibility of each of us to make sure Iron City is forever the beautiful place we know and love. The ICFC Property Committee wants to remind all Members of some basic cottage issues. Please take a few minutes to read these messages. If you need assistance with any of these, the Property Managers, the Property Committee, or the Fire & Safety Committee members can assist you.

FIRE IS AN EVER-PRESENT DANGER. Fire prevention is EVERY MEMBER'S responsibility. Know the location of fire hoses and pumps near your cabin and how to use them. Call for help immediately if you see a fire. **See pages 60 and 61 on the inside back cover for details.** If you use a grill, make a fire in the fireplaces around camp, or are on a picnic, do not leave any fire unattended. **Iron City Fishing Club does not allow wood-burning fireplaces inside any cottage.**

LIMIT STORAGE UNDER COTTAGES: Electrical wires under cabins require visual inspections for potential hazards. Chipmunks, for example, may chew on wires which can lead to electrical fires. It is very important to keep areas under cottages clear.

DO NOT STORE FLAMMABLE PRODUCTS UNDER COTTAGES: In the tragic event that fire should occur, flammable liquids under your cottage could amplify a fire event at the cost of other cabins and lives. Additionally, old and unused products may be toxic and harmful if in contact with skin. Should flammable products need to be in your cottage, they must be properly stored (e.g. create a safety cabinet).

REFRAIN FROM WOOD STORAGE UNDER COTTAGES: Wood can get moldy and rot. Moldy wood attracts bugs which may eventually infest your cabin. An even greater hazard is that moldy wood is prone to fire. Keep wood storage for a short duration or store on blocks to keep from ground contact.

REPLACE ALL SMOKE ALARM BATTERIES: While the property staff inspects all fire extinguishers annually, it is the owners' responsibility to change smoke alarm batteries every year, to check fire horn function, and to be familiar with the location of all fire extinguishers in their cabin and know how to operate them.

ALERT STAFF OF DEADFALL AROUND COTTAGE: The club maintenance staff will remove leaves, needles, and tree limbs from around all cabins each spring. Any deadfall noticed around your cabin should be reported to the staff so they may keep our grounds tidy through the summer.

REFRAIN FROM USING TOO MANY EXTENSION CORDS: Too many electrical extension cords generally suggest that the electrical power in the cottage is not up to date or adequate for the demands of today's electrical needs. Check your system annually. Make sure the breakers work and the wiring is up-to-date.

FISHING

Those under 18 who wish to fish must be accompanied by an adult with a fishing license. Any fish caught are part of the catch and possession limit of the adult who holds the license. The seasonal license now permits a daily catch of three smallmouth bass or two northern pike; the conservation license allows one of each. The Fishing Committee reminds Members that best fishing practice dictates that if a smallmouth bass under 12" or less is caught and badly hurt or dies on the stringer or in a livewell, it should never be thrown back. Such a fish becomes part of their seasonal or conservation license daily limit.

Fishing License & Outdoors Cards

To purchase a Canadian fishing license, required for anyone 18 years or older who wishes to fish, you need an Outdoors Card issued by the Ministry of Natural Resources. Both may be obtained from Lisa Gregoire. Your Outdoors Card, even if expired, should be brought back with you each year. Full details:

<https://www.ontario.ca/page/fishing>

GUESTS

Guests must be sponsored by a member who is present throughout the visit. A member may take to Camp as many guests as he or she can accommodate. Guests may open a guest account while in camp. When charges of a guest are in default, they will be charged to the account of the sponsoring member.

HOURS

STORE & GAS:	Mon-Sat 8:15 AM-10 AM, 1-2 PM, 7-8 PM
OFFICE:	Mon-Sat 8:15 AM-12 PM, 1-2 PM, 7-8 PM
DOCTOR:	Open office hours after meals; on-call 24/7
LIFEGUARD:	Mon, Wed, Fri, Sat 10 AM-12 PM, Tues, Thur 2-4 PM
ARTS & CRAFTS:	Mon, Wed, Fri 10-11 AM
CHILDREN'S TENNIS:	Tues, Thur 10-11 AM
EVENING GAMES:	Mon, Wed, Fri - Bell at 8 PM
SATURDAY PARTY:	Sat - Bell rings at 8 PM for 8:15 PM start
SOFTBALL:	Sun - Bell rings at 3 PM for 3:15 PM start
VESPERS:	Sun - Bell rings at 8 PM for 8:15 PM start

INTERNET

The Club does not provide internet service to members. The internet connection in the office is not available to members. Campers are advised to consult their own carriers. There are also many options to rent or purchase wifi hotspots.

Website

Iron City's website address is <https://www.icfc.net>. Your username will be your (member's) own email; your password will be your own private password you select. If you need assistance, email Diehl Sillers, diehlstx@gmail.com.

Electronic Equipment Usage Guidelines

ICFC is a very special place. Most campers arrive expecting something different than the intrusions and pace of our lives back home. These guidelines for cell phones, laptops, handheld games, and other communication devices are intended for the benefit of all.

While phone-call use is preferred in private cottages, poor signal quality may make it necessary to seek a good signal only available outside. Doing so should be discreet and considerate of others. Phone calls are prohibited in the Dining Hall, Lodge, and Library.

However, photography and texting are permitted in and around outdoor areas such as boardwalks, beach, docks, putting green, lawns, tennis courts. Use in public should be discreet and considerate of others.

Photos

Photographs of recent summers are available on the website. If you would like to contribute, please email icfcpics@gmail.com.

MAIL

Summer and winter mailing address in Canada:

Iron City Fishing Club, PO Box 308, Parry Sound, ON P2A 2X4

US Legal Address:

Iron City Fishing Club, PO Box 11275, Pittsburgh, PA 15239-0275

Postage on standard letters and postcards from Canada to the United States is \$1.75 CAD. Postage for letters and postcards to Canada from the States is \$1.55 USD. During normal encampments, incoming mail arrives at the office, and outgoing mail may be dropped in the mailbox there.

Shipping items to camp from outside Canada can y be done via a UPS or FedEx store where they can assist with applicable forms and regulations. Items may usually be sent to Moon River Marine from May until mid-October. Contact James Ball for information on working with a border broker outside these dates..

MEDICAL

MEDICAL EMERGENCY PROCEDURES AND NUMBERS ON PGS 60 & 61

Camp Physicians: It has been traditional to enlist medical doctors to be in residence during the encampment. These Canadian physicians are guests of the Club and, in return, provide medical care for minor conditions and a reassuring presence in times of crisis. Because of the limitations of our medical facilities it is expected that all maladies that appear potentially serious be referred to the hospital or clinics in Parry Sound.

The doctor's contact information will be posted on the door of the doctor's office.

Medical Fees: A consultation with the Camp physician will not incur a charge. If a prescription or over-the-counter medication is dispensed by the Camp physician, there will be a CAD\$25 flat fee for restocking purposes. Additionally, members will be charged a nominal price of CAD\$25 to help replenish medical supplies carried at the Doctor's office used for unexpected situations, e.g. sutures, splints, etc. Fees will be placed on the member's account.

Existing Medical Conditions: Members or guests with known medical conditions should bring to Canada an appropriate supply of medications needed for their stay, and any medical history which might be helpful in an emergency.

Tetanus Immunizations: All campers should ensure that their tetanus immunization vaccinations have been updated within the past five years.

Emergency Equipment: Should they be needed in the event of a medical emergency, a portable oxygen tank, a defibrillator, and adult and child EpiPens for allergic shock are stored in the front room of the doctor's office, as well as wheelchairs. This room is not locked. There is a second defibrillator beside the fire station between the Sawin-Williams and Jenkins cottages on Dominie Island, and a third in the Back Bay by the Old Friends' Boathouse.

PETS

Members and guests are not permitted to have pets during the encampment. Pets may be brought to camp by members out of season, provided that they are contained and controlled by the member. With the exception of the Property Managers and Chef, staff are not normally permitted to have pets at any time, unless approved by the Club President. Pets who are aggressive or threatening towards people or other pets should not be brought to camp.

RATES & DUES

List of rates, see page 4

All **rates** are expressed in Canadian dollars per day. Invoices may be paid in Canadian or US currency. The exchange rate is set by the Club's bank. All goods and services are subject to a Harmonized Sales Tax (HST) of 13%.

Invoices are due and payable upon departure. Advance payments in round amounts are warmly encouraged. The Club does not accept cash. Credit card payments are accepted for an additional fee via the link on your invoice or "Pay Bill" button on the website directs you to PayPal.

One-half daily rate will be charged for the normal afternoon arrival in camp, and one-half daily rate for the day of departure if before dinner. Arrivals after dinner hours or departures before breakfast hours will not be charged the half-day rate if the required advance notice has been given.

Members and guests who are in camp from **June 24 through July 15** will not be charged for their children 12 and under. **Guests on their first visit**, ministers and

their spouses, and other guests who have not returned to camp since 2021, will be charged at member rates.

Those campers who have already been in camp in-season for a minimum of one week will enjoy a 25% reduction in their daily outing charge during the final week of camp (**before dinner on August 12 to after breakfast on August 19**). This final week incentive will also include the special charge of CAD\$118.50 per day for guests.

Members are encouraged to invite local guests to stay for lunch or dinner at CAD\$16 and CAD\$22 respectively. An advance reservation with the Dining Room Coordinator is required. If a guest stays overnight, the appropriate daily guest rate will be charged.

The out-of-season rate will be CAD\$45 per person per night (no charge for children 12 and under).

Out-of-season stays will be charged at CAD\$25 to any member who has spent a certain minimum number of days in camp in season: for a married member couple the minimum is 42 days in total, for a single member the minimum is 28 days. (Days accrued for children and guests will not be counted.)

Out-of-season charges: The responsible member must advise of the dates and number of people, including those under 18, online using the link on the website (www.ICFC.net), preferably in advance of their arrival. Lisa Gregoire should also be given this information.

Charges for special events: Private events sponsored by individual members, whether in season or out of season, may not adversely affect enjoyment of the camp and its facilities by any other members. All member and guest outing fees or out-of-season charges are applicable, and any additional cost to the camp for use of utilities, camp labor, or camp boats and similar are to be borne by the sponsoring member.

New Members pay initiation fees, and each membership pays annual dues. An invoice will be emailed at the beginning of each year.

Membership is always extended to members' new spouses; each couple has one membership and one vote.

Members who wish to propose candidates for membership next year should contact the Membership Secretary by February 15, 2027. All members' children born prior to December 31, 2002 are eligible.

See Article I, Section 5, of the ICFC By-Laws for the complete description of the application process for membership, changes in membership, transfer of membership, etc.

Requests for changes in membership classification or resignations must be made in writing to the Membership Secretary and submitted between October 1st and December 31st to be effective the following year.

RESERVATIONS

Unexpected arrivals and departures place an extra burden on the Camp operation. All reservations **MUST** be made online, using the link on the website (www.ICFC.net) two weeks or more in advance of arrival. This should be used for both in-season and off-season reservations as appropriate. Both arrival and departure dates should be specified, even if modified later. Everyone in the party should be named, and the birthdays listed of all children under 13.

Any camper, over age 1, who arrives in camp in-season without having made a reservation will be charged a CAD\$50 surcharge

TRANSPORTATION

Club Access - Parking

Moon River Marine (www.moonrivermarine.com) in Woods Bay is connected via MacTier to Highway 400. It is the closest marina to camp with the capacity to park autos, provide boat storage, maintenance service, and fuel, and to supply docking and water taxi service.

Single car parking fee is CAD\$20 per day and CAD\$120 per week, or you may have a parking pass included in your annual fees to Moon River. Club maintenance materials are delivered to this point.

Auto parking for a fee is also available at Woods Bay Marine/Grisdale's (www.woodsbaycottages.com/marina)

Water Taxi Service to/from Camp

With prior reservation at the Club office, the Club boat is available to pick up or deliver members and guests and their baggage in Woods Bay at Moon River Marine or Grisdale's Marina. Please plan to arrive at least 15 minutes before the scheduled time, having called Maurice Gregoire directly from MacTier to confirm the exact arrival time. Failure to arrive on time for a reservation will incur a full-fare penalty. Boat trips may be shared at the option of the member who makes the initial reservation.

To or from Moon River/Woods Bay (Up to 4 people) is CAD\$150 per hour

Additional person(s): CAD\$25 each; under age 13 no extra charge

Independent water taxis are also available from Moon River Marine (1-705-375-2343) at CAD\$110 per half hour, or from Woods Bay Marine (1-705-346-1072) at CAD\$150 per hour.

Private Use of Club Boats Members will be billed for private use of club boats (e.g. transportation of building materials, towing) for a fee of CAD\$165 per hour (minimum of 1 hour charge).

Boat Delivery Service

This service will be provided to Club members only, delivering their boat to or from Moon River Marine for a fee of CAD\$165/hr (minimum of 1 hour charge). The service will be conducted by Iron City maintenance staff members who have been qualified by the Gregoires as safe and knowledgeable boat operators. The member boat owner assumes all liability for any and all damages incurred during the performance of this service. The member boat owner must notify the Club office by email or work order not less than one week in advance of desired service.

Buses

Ontario Northland (www.ontarionorthland.ca) offers a scheduled bus service between Toronto points and MacTier.

Cabs, Private Cars

ItsRide Limo (www.itsridelimo.com; Contact Fazal: phone 1-647-328-5423, itsfazal@yahoo.com) CAD\$540+ before gratuity

Aeroporto Taxi (www.aeroporttaxi.com; phone 1-800-465-3434) CAD\$400-435 before gratuity; Allowed 1-2 stops (CAD\$10+) en route to Moon River Marina (Manager is Ejaz, or Amet can also assist with scheduling)

Hammond Bus (www.hammondbus.com; phone 1-705-645-5431) both provide transportation between Toronto airport and Georgian Bay points.

Ride Share

Members seeking Ride Shares, particularly to/from the Toronto airports and Pittsburgh, should look on the ICFC website www.icfc.net/rideshare.

Uber/Lyft costs to/from Toronto airport to Moon River Marine seem to range from CAD\$320-\$550 depending on size of vehicle.

TRASH & RECYCLING

Do not feed the bears! Secure all food scraps!

Garbage & Recyclable Pick-ups: Regular pick-ups will be made at all bins and stations throughout the summer. Trash removal services out of season will be offered if the staffing is available, but less frequently: campers should ask the Caretaker on their arrival for the schedule, to ensure that no food or other items are left out to attract bears and raccoons.

Trash Pickup Schedule IN Season: Monday, Wednesday, Friday, Saturday, & Sunday

- Please ensure garbage is out before breakfast
- Do not leave garbage in the bins Tuesdays and Thursdays
- Do not leave garbage in the bins overnight
- Place general household waste in clear plastic bags in the trash cans inside the bins
- Place paper, flattened cardboard boxes, news print, magazines, etc., beside the trash cans inside the screened bins
- Place metal, plastic, and non-returnable bottles and jugs in clear plastic bags or boxes and place these items between or beside the trash cans, or on top of the bin
- Place all returnable bottles and cans (beer, wine, etc) in cartons or bags and place these items in the recycle bin or on top of the screened bin.
- Campers should bring clear plastic bags with them to comply with this program

If you bring bottles and cans to the area behind the Dining Hall, please leave them neatly on the ground so that our property staff can properly sort them. Beer cans and bottles will be recycled for an end of the season party for the property manager and his staff.

Special Disposal Items: Batteries and Fluorescent light bulbs should be given to the staff for property disposal. Do not break the bulbs. Paint cans should be left open to dry and then given to the staff.

Large Trash Removal: Heavy trash, such as worn-out appliances, can be taken to a dump out of Camp, subject to Archipelago regulations. Ask at the Club office for the rate of this service, which will include the fee for haulage to Woods Bay.

TRAVEL REQUIREMENTS

Travelers entering Canada, whether arriving by land or air, are no longer required to show proof of COVID vaccination. Pre-board/pre-entry COVID testing is not required. Using the ArriveCAN app is not required, but can save you time at the border if you have completed the customs declaration in advance. The Canada Border Services Agency www.cbsa-asfc.gc.ca should be checked for updates.

All US citizens traveling by air must show a passport when entering both the USA and Canada. When traveling by car, adults must show a passport, but children under 16 may substitute an original or copy of their birth certificate. A permission letter

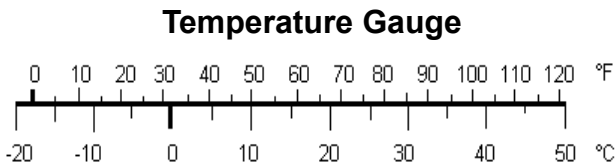

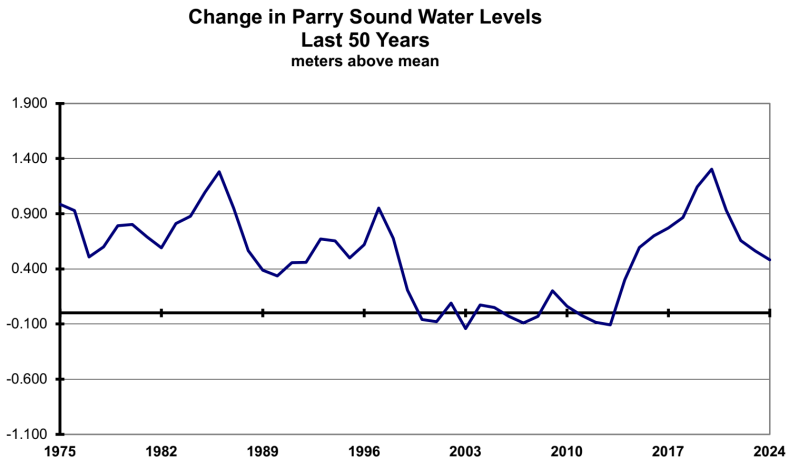

signed and notarized by both parents is required for children under 18 not accompanied by both parents. Full details are given on www.travel.state.gov
A useful resource for drivers is www.travel.gc.ca showing border wait times and other travel information. Alternatively, telephone 1-800-715-6722 for border traffic conditions.

WORK ORDERS

During encampment, minor repairs must be arranged at the Club Office by work order, and paid through the Club.

Out of Season work orders can be sent by email to Moe and Lisa (moe.gregoire@icfc.net) with the work specified and which member will receive the charge.

Labor rates for opening and closing cottages, or for minor repairs by the Club maintenance crew, will be posted in the office. These rates include not only wages paid by the Club to the employee, but also payroll taxes and an appropriate share of Club overhead.

THE ICFC ENDOWMENT AND CHARITABLE GIFT FUNDS

Both the Endowment and Charitable Gift Funds represent strategic priorities for Iron City: the Endowment to ensure the Club's long-term financial future and stability, and the Charitable Gift Fund to contribute to the needs of the Greater Parry Sound community.

For either fund, donations can be made at any time by check or gift of marketable securities. Iron City members are also encouraged to consider making a planned gift to one of both funds, either through a gift of cash or marketable securities in their will, or designating the Fund(s) as a beneficiary of their insurance policy. For information, contact any member of the Charitable Gift and Endowment Funds Committees or the Treasurer.

IRON CITY FISHING CLUB ENDOWMENT FUND

Our Fund for the Future

The ICFC Endowment Fund was established to ensure the sustained health of ICFC and serve as a reserve should an unexpected expenditure arise and/or monies be needed to help in the operation of the Club. All monies are collected and maintained in US currency. Many large capital projects have received loans from the Endowment Fund in the past: the new Reed Bridge, dining hall renovation, water tower repair, and the purchase of land. Monies borrowed from the Endowment Fund to meet these expenses are repaid from operational income.

In some circumstances, and only if the Endowment Fund is able to maintain certain levels, the Club has the ability to withdraw monies to fund infrastructure and capital projects without repayment. The Endowment Fund has served as an important resource for the Club throughout the years, and many of our members continue to support the Endowment Fund generously by donating money in memory of loved ones or fellow members.

Donations can be made at any time of the year in either check form or transfer of marketable securities. Donations are **not** tax deductible. Checks should be made payable to Iron City Fishing Club and mailed to

Brian Huber:

3760 Northland Ct, Sandy Springs, GA 30342.

Email: brian.huber@wellsfargoadvisors.com

IRON CITY FISHING CLUB CHARITABLE GIFT FUND

Making a Commitment to Education, the Arts, and the Environment in our Georgian Bay Community

This fund is used for charitable purposes that benefit the Georgian Bay area. The Fund contributes to organizations and projects such as "First Generation" post-secondary scholarships for graduates of the Parry Sound High School, bursaries for Indigenous students from the Moose Deer Point First Nation through Indspire, the West Parry Sound Health Centre, the Festival of the Sound, the Georgian Bay Land Trust, the Georgian Bay Biosphere, Georgian Bay Forever, and the MacTier Public School.

Donations to this Fund, managed by The Pittsburgh Foundation ('TPF'), are tax deductible when made directly to the TPF for Iron City Fishing Club Charitable Gift Fund. Contributions can be made in US funds online at <http://pittsburghfoundation.org> using Visa or MasterCard, or via a transfer of marketable securities, or by check mailed to:

The Pittsburgh Foundation, attn: Kelly Uranker
Five PPG Place, Suite 250, Pittsburgh, PA 15222-5414

2025 FISHING REPORT AND CUP WINNERS

- Ernest N. Calhoun Cup (Best in-season smallmouth bass by a member):
Heath Boucek - 5lb 3 ½ oz smallmouth
- Tom Collins Conservation Cup (Best single bass on a given day):
Heath Boucek - 5lb 3 ½ oz smallmouth
- Kinnear Cup (Best smallmouth bass by someone 14 years old and under):
Owen LaCross & Mia Vinton - 3lb 9oz (tie)
- Todd Cup (Best string of smallmouth bass by a member on a given day):
Paul Fritz - 10lbs 8oz
- George J. Wright Trophy (Best smallmouth bass by son, daughter, grandson, or granddaughter of a member): **Thomas Stronach - 4lb 15oz**

In addition to the fish listed above with their cup winners, the record catches in 2025 were:

Muskie: **Brian Huber - 21lbs**

PROCEDURES FOR STAFF APPLICATIONS FOR SUMMER 2027

Candidates for the leadership positions are requested to send a completed application to the Chair of the Human Resources Committee by October 15th of the year before they wish to work. Applicants must have completed the equivalent of one year of college by the summer they wish to work.

Candidates interested in serving on the wait staff are requested to send a completed application to the Chair of the HR Committee starting mid January of the year they wish to work. The application deadline is mid February. Wait staff applicants should complete at least one year of high school and be 15 years of age by June 1st of the year they wish to work.

Application materials for these positions may be obtained by contacting the Chair of the HR Committee by telephone or email, or can be accessed under Forms on the ICFC website.

2025 PADDLE WINNER

Eliza Bonidy

FIRE EMERGENCY PROCEDURES

1. SAFETY FIRST - ALWAYS THINK *FIRE PREVENTION*

2. BE PREPARED

Fighting fires is the responsibility of the entire camp. Every able-bodied person will be expected to help, as needed. All campers should:

- A. Know where the fire alarm horns on your front porch and outside nearest to your cabin are located
- B. Know where your cabin's fire extinguisher is located
- C. Be familiar with the water hoses in your area
- D. Know the location and operation of the portable water pumps around camp: nears the Sipes'; Maintenance Camp; in the back boat house; under the dining hall; near the canoe dock; Morgan Dock; Dominie Island near the Jenkins'; Monague Island near the Sloans'

Their locations are indicated on the map on the laminate fire safety card which is in each cabin.

3. IF A FIRE OCCURS, REMAIN CALM

Get all people in or around the fire area out of danger. Persons who are unable to help, i.e. children, the elderly, etc., should congregate on the beach or away from the fire area for their safety and to keep them out of the way of firefighters. ***Speed*** in getting help and attention to the problem is crucial.

- A. Call the Caretaker, Maurice Gregoire, and/or the Asst Caretaker, and/or Lisa Gregoire. Phone numbers on the facing page. Then ensure the Office and all other numbers are called as sources of help, including boats with pumps.
- B. Loudly shout "Fire!!" for help and ring the fire alarms. Find the fire alarm horn on the porch of the nearest cabin to the fire and sound it.
- C. Use the cabin's fire extinguisher to help keep the fire localized.
- D. If needed, use the fire hoses or water pumps. Water should be applied directly to the fire **and** neighboring buildings, trees, etc to prevent the fire from spreading.

MEDICAL EMERGENCIES

A **portable oxygen tank**, a **defibrillator**, and adult and child **EpiPens** for allergic shock are stored in the front room of the doctor's office, as well as wheelchairs. This room is not locked. There is also a **defibrillator** and **EpiPens** beside the fire station between the Sawin-Williams and Jenkins cottages on Dominie Island; and another **defibrillator** and **EpiPens** in the Back Bay by the Friends' Boathouse.

EMERGENCY
